

Dear swimmer, boater, cottage renter, house guest, and visitor,

**Be a friend of Echo Lake!**

- One of the cleanest lakes in Vermont—clear enough to see down 30 feet
- Loons, Mallards, Mergansers, and geese grace our shores
- Lake & Rainbow Trout, Small-mouth Bass, Perch, Ling, Sunfish wait in the depths
- So far, free of lake-choking Eurasian Milfoil and other invasive species
